PUBLIC FORUM:

William Whiteside - Utility Account

Motion by Hollanitsch, second by Storm to provide Mr. William Whiteside with a payment plan on his utility account. **MOTION CARRIED**

William Whiteside and Darrel Lindgren (arrived at 6:10 PM) and addressed Whiteside's utility account and requested a reduction in the bill. Whiteside has been billed for 65,000 gallons worth of water usage. Whiteside explained that he owns a home in the city; has trouble renting it and every spring turns the water on and has plumbing issues. The home sits vacant in the winter but turns the water on when trying to sell the home. He has had trouble finding a plumber over the years. The meter is in a difficult location and hard to read. There have been multiple leaks at the home. He explained his financial hardship. Councilors explained that other utility accounts within the city have had similar situations and no reduction was offered because the water was used and amount owed to the city. The meter at Whiteside's property, when turned into the city had been tampered with and is city owned property. The usage on the meter was documented and water had flowed through the meter; therefore, billable to the owner. The plumber tested the meter and found it was working appropriately. Whiteside offered equipment rental as a trade for outstanding account balance. It was explained that exchange of service would need to be legally reviewed. However, if the city had need for equipment usage; Ranta could contact Whiteside as an option. Whiteside would bill the city and payment would be placed on utility account. Whiteside was asked what he could afford a month. He offered \$50.

Motion by Hollanitsch, second by Bixby to accept a \$50/month contract payment plan with William Whiteside on his utility account. The city will look into equipment rental. First payment due on September 1, 2013. **MOTION CARRIED**

Propane Bids (2013-2014 Heating Season)

Bids were received from Como Oil & Propane, Ferrellgas, Lakes Gas Co. and Range LP Gas for the propane contract for the 2013-2014 (September 1, 2013 through August 30, 2014) heating season. Lakes Gas is the apparent low bidder. They have indicated no additional truck charges for any city deliveries and 24 hour emergency service. The city purchases approximately 11,000 gallons per heating season.

Motion by Bixby, second by Storm to award the 2013-2014 heating propane contract to Lakes Gas Co. at a price of \$1.185/gallon. The maintenance service rate is \$65/hour. **MOTION CARRIED**

Dollar Barn Fire

The Cook City Council addressed many health and safety concerns they have heard from the community regarding the rubble remaining as a result of the Dollar Barn fire. The council stated they are not trying to be negative, have been supportive but are concerned about health related issues, the safety of the site and that the basement could be full of water.

Motion by Hollanitsch, second by Bixby to direct staff to send a 30 day clean up notice to property owner Lois Pajari and her insurance company for the Dollar Barn fire rubble located at 114 River Street South. **MOTION CARRIED**
